Connecting People

Leadership and Innovation

Research and Best Practice

Sharing Knowledge & Skills

Published **3 peer-reviewed journals** and **12 newsletters**.

Owen Gustafson and **Lucy Gardiner** presented on the CSP complexity summit.

Ran **7 short courses** including a second support worker course, with brilliant attendance.

Collaborated with the **BTS** and **ARNS** to deliver the **Fundamentals of PR in COPD 2 day course**.

Collaborated with **APCP** to develop a **UK wide consensus document** for the prevention and management of respiratory disease in young people.

Representation on **ICS PAG** from Allaina Eden, Surgical champion.

Supported **3 educational grants**.

Representation on the **ECMO physio network**. The group ran the first standalone physio session at Euro ELSO.

12 respiratory case studies authored by members of the leaders' group for a case study workbook. This is due to be **published by Elsevier in 2023** entitled 'The student physiotherapist's companion: a case-based, test your knowledge guide'.

Continued as a committee to reflect on how we can **improve our inclusivity** amongst our whole membership with support from **Holly Van Ristell** and **Ashwin Upadhyia**.

Continue to work closely with **BTS** with members on the following:

Welcomed **Anna Alderslade** and **Sara Knight** to the committee as Regional rep and Education champion respectively.

- **Anna Alderslade** – PR SAG.
- **Emma Chaplin** – PR document statements.
- **Amy Bental** – Education and training committee.
- **Adam Lewis** – Standards of care.

Skills hub for respiratory leaders now online to search by region, name and speciality.

Ashwin Upadhyia, EDI champion, elected as general member of the CSP LGBTQIA+ diversity network.

Continued to support the regional networks and the **regional website hub pages launched**. Survey sent to all members to look at how best to support networks moving forwards.

Endorsed the competency framework for registered practitioners: level 1 and enhanced care areas.

Increased social media presence with **11,500 followers**. We have focused on highlighting committee roles and had tweetchats suggested by members.

We've now got our **largest ever membership! 1,899** and growing.

Co-chaired **taskforce for lung health pulmonary rehab working group** which has now evolved to focus on workforce requirements for PR.

The annual **Sarah Keilty Leadership Award** went to **Simon Haywood** for his nomination for supporting international physios with their lung ultrasound accreditation.

The Journal is now a member of **Crossref**, which allows all **future published articles to be allocated a DOI**.

Editorial board have 4 publications out so far and another 2 to be published. New topics and leads have been decided.

First PPI group meeting, documents reviewed and suggestions from group made to authors. Positive feedback from authors on the input from the group.

Coming in 2023...

- ✓ More publications from the editorial board.
 - ✓ Our first face to face conference since 2019!
 - ✓ Further improving our knowledge on allyship and how we can diversify as a respiratory community.
 - ✓ Short courses.
 - ✓ Two more journals.
- ... and lots more!*
